

PRIPREMA ZA PUTOVANJE U GRČKU, Thessaloniki/Solun 14.04.-20.04.2024.

Naš domaćin škola - 3rd Gymnasium Echedorou (Kalochori)
3 Koimitirioun Street, 57009 Kalochori, Thessaloniki, Greece
<http://gym-kaloch.thess.sch.gr/joomla25/>

Učenici će bit smješteni zajedno s učiteljima u hotelu „Vergina“ Thessaloniki. Dvije trokrevetne sobe za učenike (djevojčice/dječaci). U hotelu imamo doručak svaki dan. Hotel je smješten 10-15 minuta šetnje od samog centra grada i ispred hotela je autobusna stanica za bus kojim ćemo putovati svaki dan do škole, put traje oko 15 minuta. <https://vergina-hotel.gr/>

POLAZAK

Polazak iz Višnjevca (parkiralište škole) nedjelja 14.04.2024. u 7:30 h. Do zračne luke u Beogradu idemo školskim kombijem. Predviđen dolazak u Solun u 15:20 h. (Večera organizirana)

Let: Air Serbia JU542 nedjelja 14.4.2024. Beograd 13:10 – Tehessaloniki 15:20

POVRATAK

Predviđen dolazak u Višnjevca subota 20.04.2024. oko 8:00-9:00 Javit ćemo se. Učenike ćemo dovesti do škole (parkiralište).

Let: Air Serbia JU547 subota 20.4.2024. Tehassaloniki 4:50 – Beograd 5:00 (do zračne luke ćemo taksijem ili drugim organiziranim prijevozom)

Što sve treba ponijeti na putovanje?

Dokumenti:

Osobna iskaznica. EU zdravstvena iskaznica, hrvatska zdravstvena iskaznica. Dokumenti će se provjeriti prilikom polaska ispred škole.

Novac (najbolje u manjim apoenima po 5, 10, 20 eura). Ponijeti samo džeparac. Učenicima su put, smještaj, izleti, ulaznice, obroci, voda... plaćeni. Službena valuta u Grčkoj je euro.

Avion

Veličina kofera – srednji, ne najveći (zbog KOMBIJA), do 20 kg težine maksimalno za avion (ostaviti si malo mjesta, sigurno ćete si nešto kupiti tamo).

Gore u avion možete ponijeti ruksak do 8 kg za svoje osobne stvari (dokumente, elektroniku, hranu). U ruksaku koji ćemo unijeti u kabinu ne smije biti nikakve tekućine. Vodu za sve sudionike će učiteljica kupiti nakon prolaska carinske provjere. Higijenski pribor (šamponi, parfemi, dezodoransi... moraju biti u velikim koferima)

Svu elektroniku (punjači, slušalice, mobiteli) možete ponijeti u ruksaku za kabinu aviona.

PONEĐJELJAK	15/04/2024 9:00 - 9:50	Welcome - School tour
	15/04/2024 10:00- 10:45	English class - Ice Breaking
	15/04/2024 10:55- 11:40	Explore Thessaloniki
	15/04/2024 12:30	Sightseeing tour in Thessaloniki - guide tour and sea cruise
UTORAK	16/04/2024 9:00 - 9:50	Class Mathematics "Pythagorean Theorem"
	16/04/2024 10:00- 10:45	"Fast Fashion: What do I know?"
	16/04/2024 11:00- 13:00	"Kalochori Lagoon Experience"
	16/04/2024 13:00- 13:40	Physical Education "Lets play Dodgeball"
SRIJEDA	17/04/2024 8:00 - 16:00	Excursion to Vergina and Agios Nikolaos
ČETVRTAK	18/04/2024 10:00- 10:45	Get to know Greece and Croatia
	18/04/2024 10:55- 11:40	"Have fun with boomwhackers!"- Use your body, play the rhythm!"
	18/04/2024 11:45- 12:30	"Drawing comic figures"
	18/04/2024 12:35- 13:20	"Let's dance with the Greeks"
PETAK	19/04/2024 09:05- 09:50	"The Odyssey, by Homer"
	19/04/2024 10:00- 10:45	"Radio production at European School Radio"
	19/04/2024 10:55- 11:40	"Let's cook Greek food"
	19/04/2024 11:45- 12:30	"Computer Informatics course"
	19/04/2024 12:35- 13:20	Evaluation session, certificates ceremony
	19/04/2024 13:30	"Meet my family and my homeplace"

Learning program

Activity 1: English class - Ice Breaking	
Learning methods:	Ice-breaking activity : Students introduce themselves to one another talking about their names, age, country and city of origin, family background, favorite school subjects, hobbies, leisure activities, etc. Ss can print their personal information on a padlet on https://padlet.com/ that the English teacher has previously created. They watch a video about a specific topic or, alternatively, listen to a script, taking down notes at the same time on a specific topic. They use the information they have collected in a specific digital activity, i.e. a gap-filling one, a True/False one or a game, i.e. the Hangman game previously created by the English teacher on https://learningapps.org/ .
Learning outcomes:	Students will be able to: Improve their speaking, writing and listening comprehension skills in English Enhance peer interaction by presenting and talking about themselves in English Use digital tools effectively in the English class Practice taking down notes while watching a video or listening to a listening script Use information they have gathered in a playful and entertaining activity

Activity 2: Class Mathematics “Pythagorean Theorem”	
Learning methods:	Watch a short film about the ancient Greek mathematician Pythagoras. Presentation, drawing geometrical shapes, -triangles and squares- according to Pythagorean Theorem, measuring certain distances and surface areas, solving problems related to Pythagorean Theorem. Play a math related game
Learning outcomes:	Improve their speaking, writing and listening comprehension skills in English while learning about Pythagoras. Understanding and expressing the Pythagorean Theorem by applying it to mathematical problems related to daily life.

Activity 3: “Computer Informatics course”	
Learning methods:	Teaching computer programme scratch 3 https://scratch.mit.edu/ Play games at scratch 3.
Learning outcomes:	Using digital tools like Google Docs Improving teamwork skills. Improving listening and writing comprehension skills in English

Activity 4: "Let's dance with the Greeks”	
Learning methods:	Workshop. Practice teaching and dance exercising
Learning outcomes:	Learning Greek traditional dances like sirtaki, syrτος, hasapiko etc in practice. An interesting experience of Greek culture.

Activity 5: "Kalochori Lagoon Experience”	
Learning methods:	Environmental outdoor activity Workshop
Learning outcomes:	Biking in the environmental protected area of kalochori Lagoon, Flamingo birdwatching. Picnic with outdoor sports activities.

Activity 6: "Sightseeing tour in Thessaloniki"	
Learning methods:	A guided tour by bus and walking at the interesting places and sights of Thessaloniki. Sea cruise in Thermaikos gulf with the pirate ship "Arabela"
Learning outcomes:	Gaining cultural knowledge about the historical center of Thessaloniki. Development of cultural competence skills Raising awareness of the cultural and historical diversity in Europe.

Activity 7: "Meet my family and my homeplace"	
Learning methods:	Visiting host students' home and spending a few hours in everyday activities.
Learning outcomes:	Sharing a different culture during family life in order to learn to appreciate the differences as well as the similarities in their lifestyles, thus being more aware of the cultural diversity in Europe, dealing with the unpredictable, and managing their leisure time abroad.

Activity 8: "Radio production at European School Radio"	
Learning methods:	Workshop Detailed presentation of the steps required to create and broadcast radio productions for Student Radio, European School Radio .
Learning outcomes:	Improving their skills of using digital tools. Improving English language, communication and presentation skills. Planning radio broadcasts with the school radio team. Participating in groups with colleagues from other schools to create joint radio broadcasts.

Activity 9: "Have fun with boomwhackers!"- Use your body, play the rhythm!"	
Learning methods:	Musical didactic game. Learn music through engagement and fun Play rhythm, sing and dance together
Learning outcomes:	Enhances learning by integrating music and movement Improving teamwork skills. Better understanding of how to work and create together

Activity 10: "Explore Thessaloniki"	
Learning methods:	Effective communication Create an interesting presentation about Thessaloniki. Students' teamwork
Learning outcomes:	Gain cultural knowledge about the most interesting historical and cultural places in Thessaloniki.

Activity 11: "Fast Fashion: What do I know?"	
Learning methods:	Through group games and the use of digital tools, students will learn about the effects of fast fashion on the environment
Learning outcomes:	Deepening knowledge in fast fashion and climate change. Using digital tools. Improving teamwork skills

Activity 12: “Drawing comic figures”	
Learning methods:	Watching video about graffiti for the purpose of presenting and designing comic book figures sketches. Drawing comic book figures with proportions
Learning outcomes:	Gain knowledge in the history of art and painting with proportions Gain confidence that everyone can design a comic book figure.

Activity 13: “Get to know Greece and Croatia”	
Learning methods:	Students will create an interesting presentation of aspects of Greece and Croatia by using digital tools like Power Point. Team work. Effective communication
Learning outcomes:	Gain cultural knowledge of Greece and Croatia and learn about each other Improve teamwork skills Improve language, communication and presentation skills.

Activity 14: “The Odyssey, by Homer”	
Learning methods:	Introduction to Homer and the Odyssey through a presentation by using digital tools like Power Point. Teamwork
Learning outcomes:	Through the presentation, the students will get to know one of the most important ancient Greek poets and, at the same time, a well-known work of world literature, the Odyssey.

Activity 15: “Let’s cook Greek food”	
Learning methods:	Workshop Cooking in teams Greek traditional food.
Learning outcomes:	Avoid waste and provide quality Learn about Greek traditional cuisine

Activity 16: “Excursion to Vergina and Agios Nikolaos”	
Learning methods:	Environmental and educational outdoor activity Visit to the museum of the Royal Tombs of Aigai, in Vergina Excursion to Agios Nikolaos Grove, in Naoussa.
Learning outcomes:	Gaining knowledge on history of ancient kingdom of Macedon at Aigai. Learning and appreciating ancient Greek heritage Investigating Greek nature of Agios Nikolaos and at the same time discovering the beauty of species developed naturally.

Activity 17: “Physical Education, Lets play Dodgeball”	
Learning methods:	Outdoor sport activity, exercising
Learning outcomes:	Students will learn the rules of the amazing game of Dodgeball and obtain the experience of a small championship between 4 teams.
