The presentation will be given by students. ○ On Monday, Thursday and Friday, mobile phones are necessary for a city hunt activity, treasure hunt games and Kahoot. ○ On Wednesday and Thursday, wear sports clothes ○ Lunch on Tuesday to Friday will be at school at 13:10. It will be catered. The price of one lunch per person is 3.30€ per meal. (3.30x12x4=158.40€ - must be paid in cash. You will receive a receipt. If you need to write special information on the receipt, please send it) ○ Students and teachers receive free transportation in the city provided by the city's transportation company (We are still waiting for approval from the transport company) ○ Bring your own water bottle during the mobility, to raise awareness of the unnecessary use of plastic cups while promoting tap water consumption. This also highlights the fact that we use far more plastic than needed ○ All dinners will be organized by the guests themselves. The host school has prepared a list of suitable restaurants near the accommodation (see attached document with links). There are a lot of good grocery shops near the accommodation. ○ The currency in Croatia is the euro. In most places, you can pay with a card (Visa, Mastercard) or in cash. <p>Some useful YT links: Croatia (Wikipedia) – our country Slavonia – our region Osijek – our city Osnovna škola Višnjevac – our school School anthem</p>
