We hereby certify that

Ćosić Kristina

has successfully completed the training course

Introducing Sustainability Through Game-Based Learning and Gamification

Teacher Trainer: Anna Mayfat

Prague | March 09 - March 14 2026

In this 30-hour course, the participant was advised on how to introduce sustainability issues in their classroom. They explored the educational benefits of GBL and gamification methodologies and learned how to design and implement effective lesson plans and how to use them efficiently when discussing sustainability.
